ABOUT US

Yun Ding Food & Beverage is a family owned, one stop solution juice and beverage manufacturer in Taiwan, providing services to clients in local and international regions. With over 40 years of extensive experience in the juice industry, Yun Ding Food & Beverage offers a wide variety of services in juice manufacturing, import and export, beverage OEM & ODM, own brand manufacturing and retail distribution.

OUR VISION

With global sourcing capabilities and a customer centric strategy in mind, Yun Ding Food & Beverage leverages global market trends and data to constantly innovate new formulas and products. Venturing into the health and wellness market, Yun Ding Food & Beverage owns and manufactures two brands: PASSION 24 functional juice beverage and RIGHT KIND functional coffee.

A photograph of two women sitting at a wooden table, smiling and drinking from glasses of juice. The woman on the left is wearing a blue and white striped shirt and holding a glass of orange juice with a lemon slice. The woman on the right is wearing an orange shirt and holding a glass of red juice with a grapefruit slice. The background is slightly blurred, showing a window with a grid pattern.

OUR DESTINY

We support local farmers and brands and deeply value efforts to reduce carbon footprints. At Yun Ding Food & Beverage, we aim to create the most innovative juices in the market.

We make lives **juicier**.

2008

Founded in Taiwan, YDFB supplied fruit & vegetable related raw materials to domestic F&B industry customers.

2009

The export business department was established to provide high-quality raw materials to clients in Europe, America, the Middle East, Japan, South Korea, and Southeast Asia.

2019

Established retail-packaging production lines, further catering to domestic and foreign HoReCa, bubble tea and smoothie chain store clients.

2020

Established beverage OEM & ODM business unit, offering one-stop beverage solutions for domestic and foreign customers.
